E. D. Tenney.....Secretary
W. A. Bowen.....Treasurer

E. D. TENNEY,

It is very seldom, that the Honolulu stores have offered so large a variety of Xmas goods as found today. Our substantial citizens, however, who are not looking for toys or trifles will do well in calling at the Hawaiian Carriage Manufacturing Company and there select a buggy or a phaeton for the old lady, or a surry in case, that the family grows. Manager Dillingham gives good work at cheap prices.

The Pantheon Saloon is the depot for the celebrated Enterprise Beer, where it can always be found cool and fresh on tap. We do not deal in "Fredericksburg Beer" as the morning Paper—through some mistake has advertised. Call at the Pantheon for re-freshing drink.

JIM DODD, Proprietor.

D. W. McNichol of the Empire Saloon has made a new deal which will touch the hearts, or at least the palates of many a thirsty wanderer. He keeps "half-and-half" on draught and serves a most delicious and cool beverage, far superior to "plain" beer.

J. J. Williams the well-known Artistic Photographer is making a specialty of portraits on Watch Dials and Silk Handkerchiefs. Complete sets of Lantern slides lectures can be had at the gallery. For they are sold at a reasonable figure by the dozen or by the hundred.

LOTS FOR SALE.

Ten nice lots, at moderate price at the corner of Queen and Kawaiahao Streets. Also about hundred lots (100x100) at Kahauiki, Kalihi. For further particulars, inquire

R. W. WILCOX & Co.
Corner of Queen and Nuuanu Sts. upstairs.

Ed. Hopkins the popular proprietor of the Arlington Billiard Parlors is now running this favorite resort on his own account. He has bought Arthur White out, and asks his many friends to continue their patronage of the past in the future. There are no better tables in Honolulu and no better attendance than furnished by the genial proprietor and his assistants.

The Haniwai baths have got the best accommodations, the best water, the best tramcars and buses, and Bartlett is the best host. Call and see.

LOCAL NOTES

Football next Saturday.

Chief Crowley left in the Australia to-day.

Band concert at Emma Square this afternoon.

W. H. Daniels is in town. He is big as ever.

Hatch and Armstrong are off. The republic cries.

A big crowd listened to the band concert at the hotel last night.

Nobody has given anything "away." The royalists never did wrong.

No conspiracy cases were called in the district court this morning.

It is generally regretted that the condition of J. T. Waterhouse is not improving.

Messrs. Samuel Parker and C. W. Ashford returned to town in the Kinaiu last evening.

R. W. Wilcox has got a new hat. According to "Royalist" standards he must be in the pay of Hitchcock. They make our "pencils" tired.

The arrival of the Kinaiu in the afternoon instead of in the early morning is a great improvement to passengers and shippers. Mr. C. L. Wright is to be congratulated.

The evidence against George Somers and C. Mitchell for the Hollinger robbery was conclusive and Judge Perry committed them to the Circuit Court.

Deputy Marshal Arthur Brown returned yesterday. He looks well and his vacation has evidently done him lots of good. He can now wrestle with conspiracies.

There has been some serious misunderstanding in regard to the Japanese immigration company represented by Th. Evans. Everything is alright now.

For Office-Seekers.

A western candidate for the office of sheriff announced himself to his constituents as follows:

Having been told by my friends that I could not possibly be elected, I hereby announce myself as candidate for Sheriff of Peccos county. I am in every way competent and worthy to fill the office.

I do not wear rings on both hands, smoke cigarettes, wear paper collars, talk French or tell bad jokes and expects my friends to explode themselves laughing at them, or eat onions—all of which are an abomination unto the Lord and all decent people.

I was raised on New river and persimmons, and I am a b-a-d man from the headquarters of Bitter creek, a region full of grizzly bears, earthquakes, huckleberries and republicans.

I can drink more mean whiskey and chew up more bad tobacco, spit harder and farther than any man in this country. I eat pie with a knife or any other instrument capable of disjoining the pie.

I am the winged and unlassoed terror of the swamps, the super-heated aerolite of Peak Knob ricocheting through space at my own sweet will.

While I take something semi-frequently, I will get right down to branch water and hang to it if the rest of the crowd will. Branch water is deadly poison to most animals, but I drink it by the gallon.

Blank the tariff.

I do not believe that a tax on coon dogs is constitutional.

What I lack in sand I make up in whooping and cracking my heels together and shooting of my gun, loaded with destruction.

I do not know whether I will be elected or not. My hands are covered with corns new from reaching for things I fail to get. But whether I get one vote or all

of them, I will be a candidate till the sun goes down on election day.

If you love the human race, if you love the commonwealth of New Mexico, if you want to uphold the constitution of the United States, vote for me. People who do not vote for me will come to no good end.

HIRES ROOT BEER

HIRES

ROOT BEER!

LIQUID NOBOLING EASILY MADE THIS PACKAGE MAKES FIVE GALLONS

Root BEER

The most APPETIZING and WHOLESOME TEMPERANCE DRINK in the world. TRY IT. Ask your Druggist or grocer for it.

C. E. HIRES, PHILADELPHIA

NERVOUS.

ARE YOU?

Can't sleep, can't eat, tired, thirsty? It's a tonic you want.

HIRES ROOTBEER

purifies the blood, tickles the palate.

WHAT'S THE DIFFERENCE?

You drink

HIRES ROOTBEER

for pleasure and get a tonic. You take it as a tonic and get pleasure.

Morning, Noon, Night

Good all the time. It removes the languor of morning, sustains the energies at noon, all the weariness of night—HIRES ROOTBEER—delicious, sparkling, appetizing. Good as luxury, good as a tonic.

It is beyond all dispute a wonderful health-giving drink, and it is very easy for any one to understand why this is so. The root, herbs, barks and berries, from which HIRES ROOTBEER is skillfully made, are the identical things from which physicians get their most helpful remedies. For instance, Do you believe that sarsaparilla is a valuable remedy? Well HIRES ROOTBEER contains more sarsaparilla than many sarsaparillas. The same is true as to other ingredients.

It is doing more to advance practical temperance than many people realize. It is used and recommended by the most cautious and conservative temperance people. The most scrupulous abstainer can enjoy HIRES ROOTBEER here, and recommend it to others as an agreeable and healthful substitute for the strong drink which he opposes.

It is a home-made and homelike beverage. It is very easily prepared, and if the plain directions are followed, it will always be good. Every member of the family, from the baby to the grandfather, can enjoy HIRES ROOTBEER, and every one of them will have better health for each swallow they take. It improves the appetite, purifies the blood, and tones the whole system. Children especially delight in HIRES ROOTBEER. Its preparation interests them, and its use does them good. In thousands of homes, "HIRES ROOTBEER that mother made," will be among the happiest recollections of childhood.

BEWARE! Do not confound it with other Rootbeer preparations, as it is entirely unlike anything else of the kind. Beware of extracts advertised for making Rootbeer, as they are composed chiefly of coloring matter and oils to give them flavor, which excite the nerves and cause nausea.

HIRES Improved Rootbeer packages makes really the most harmless of our fashionable drinks, yet nourishing and strengthening the blood. It cleanses the system of the poisonous humors that develop in kidney and urinary diseases, and in fact, in any case that arises from an impure state of the blood.

HIRES Improved Rootbeer is offered to the public with full confidence of its merits. It contains no poisonous or injurious properties whatever, and an infant may take it with perfect safety.
